PASSOVER SEDER

Tuesday, April 23 - 5:30pm in Half Moon Bay
(the address will be sent to registrants)

“THE PROMISE OF THE LAND”

Freeing ourselves from the paradigms that have brought humanity to the brink of self-destruction

We will be using the haggadah by Rabbi Ellen Bernstein that centers on climate justice. We will honor her memory and the values that inspired her award-winning publications.

Our seder is free, but donations are gladly accepted.

The meal will be a potluck vegetarian dinner. Registrants will receive a link to sign up for what they want to bring.

Children are most welcome. There will be activities to keep them engaged and a prize for whoever finds the Afikomen.

The seder will be led by Rabbi Moshe, Lissin, and a host of volunteers, making it a joyous, musical, and fully participatory experience.

For more info and/or to reserve your seat(s), contact Michal at CoastsideJewishCommunityEvents@gmail.com
