# "Stand Up on Purim" Party

**Friday, March 22 from 5-7 pm at Cameron's Pub  
in Half Moon Bay (1410 Cabrillo Hwy South)**

Enjoy spoken word performances, Purim parody songs, and a *shpiel* (a humorous Purim-related skit). We'll retell the Purim story and hear personal accounts of folks who found themselves in situations when, like Esther in the Purim story, they felt called to "stand up" against antisemitism. Maybe after a drink or two, you'll be ready to share your story, or sing one of our Purim parody songs. We have dozens to choose from. Stay after to enjoy Cameron's karaoke night. Seating is limited.
